

### Application For Design Review

In accordance with Article X of the CC&Rs, Section 4 of the Rules & Regulations and the Architectural Guidelines, an application for Design Review, along with any supporting documentation, must be submitted to the Architectural Committee for review *prior* to making alterations or additions to a property. Drawings and specifications shall be approved by the Architectural Committee as to style, exterior design, appearance and location and are not approved for engineering design or for compliance with zoning and building ordinances.

Please deposit this form, along with all required information, in the mailbox outside of the office in the Recreation Center. The Committee has thirty (30) days after receipt of the application for review. A copy of the application will be returned to you with the Committee's decision on your project. The project must be completed within forty-five days of approval. If the project cannot be completed in the allotted time frame, a written request for an extension and a new completion date must be submitted to the Committee.
